#### NOT SO BAD

A returned vacationist tells us that he was fishing in a pond one day when a country boy who had been watching from a distance approached him and asked, "How many fish yer got, Mister?"

"None yet," he was told.  
 "Well, yer ain't doin' so bad," said the youngster. "I know a feller what fished here for two weeks an' he didn't get any more than you got in half an hour."—Boston Transcript.

#### CLOVIS MARBLE WORKS CONTINUES TO GROW

Dad Dwight of the Clovis Marble Works on Grand Ave., ships his marble direct into Clovis from the quarries of the New England States. He cuts it, polishes and letters it right here and sells it direct to the customer. There are no middle man's profits and it is not hard to see how he can save you money on your monuments. Not only this, he is a citizen of Clovis, has his home here and when you patronize him you are helping to build up the town and the county. He hires no salesmen and no agents and when you buy one of Dad Dwight's monuments you have to deal direct with him at his marble works on Grand Avenue, but if you can save from 30 to 40 per cent on your monuments isn't it worth while? He has had 38 years experience in the monument business. If you need anything in his line it will pay you to see him. 6-17-tfc

There is power enough in a pint of gasoline, says the Minnesota Fire Marshal, to lift six tons 750 feet, 200 feet higher than the Washington monument. However innocent looking and familiar, a liquid having this sort of "punch" is not to be fooled with.

It is estimated that annually in the United States more than two billion dollars worth of construction is necessary to take care of the increasing needs of the population.

*Rosy Cheeks  
& Satin Skin*

Because of her rosy cheeks and satin skin a woman attracts the admiration of all men. When the

young woman peers in her glass, she may see pimples and blotches and she immediately goes to the drug store for paint, powders and beauty creams, when she should go there for a blood medicine and stomach alternative known as "Golden Medical Discovery." This vegetable tonic and blood alternative clears the skin, beautifies it, increases the blood supply and the circulation, while pimples, boils and eruptions vanish quickly. Ask your nearest druggist for Dr. Pierce's Golden Medical Discovery in tablet or liquid form or send 10c. for trial package of tablets to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y.

#### SAINT PAUL MAN GAINS 20 POUNDS

CARLSON ALSO GETS RID OF THIRTY-FIVE YEARS' TROUBLE WITH RHEUMATISM.

"By taking Tanlac I have gained twenty pounds and gotten rid of rheumatism that had troubled me for thirty-five years," said J. W. Carlson, of 96 Phelan Creek Street, St. Paul, Minn.

"I am now sixty years old," he continued, "and had suffered ever since I was a young man of twenty-five. During that time I had the very best of treatment and tried many different kinds of medicine, but got no permanent relief until I found Tanlac. I was in such a bad shape last year that I was laid up for three months. I also had stomach trouble so bad that everything I ate caused me to bloat with gas and suffer for hours afterwards, often I had raging headaches and was so nervous I could never get much sleep. Finally I gave up entirely and never expected to be any better, but I began taking Tanlac and the way it knocked that rheumatism out was simply wonderful, and I haven't a sign of it left."

"My stomach trouble, too, has left me entirely. I eat three big meals every day, for I am hungry all the time and never have the least bit of indigestion. My strength has come back and it beats the world the way I am gaining in weight. I never felt better in every way in my life and it gives me pleasure to recommend Tanlac, for it will do just what they say it will."

Tanlac is sold in Clovis by City Drug Co., in Texico by Red Cross Pharmacy, and in Melrose by Irwin & Pool. (Advertisement)

#### PERKINS PROVERBS

The remarkably successful career of Mr. George Perkins gives value to his proverbs, from which the following are selected:

The idea that you must have a certain amount of rest, doing nothing, is all wrong.

The tree that grows until it overtops the others gets the most air and sunshine.

There is nothing like healthy work, enthusiastically performed, for keeping corpuses red.

Any man who starts out simply to make money never gets very far; either he will ruin his health or sacrifice his friends, or drive so hard that there is nothing in it.

My first job was sorting lemons and oranges in a fruit store; I have been doing the same thing more or less all my life.

Pay no attention to the clock or what you are paid, but work and live for all there is in it.

The most important thing of all is to look upon your work as play.

Don't be afraid to do extra work lest it interfere with your plans for pleasure.

"Are you sure you love me?" said a pretty girl to her admirer.

"Love you," echoed the the smitten one.

"Why, darling, while I was bidding you goodbye on the porch last night your dog bit a piece out of the calf of my leg and I never noticed it until I got home."

Stop that pain!

QUICK, warming, soothing, comforting relief follows an application of Sloan's Liniment. Just slap it on the strained, overworked muscles. Good for rheumatism, too. Penetrates without rubbing.
